

## **liligo.com launches international mobile sites**

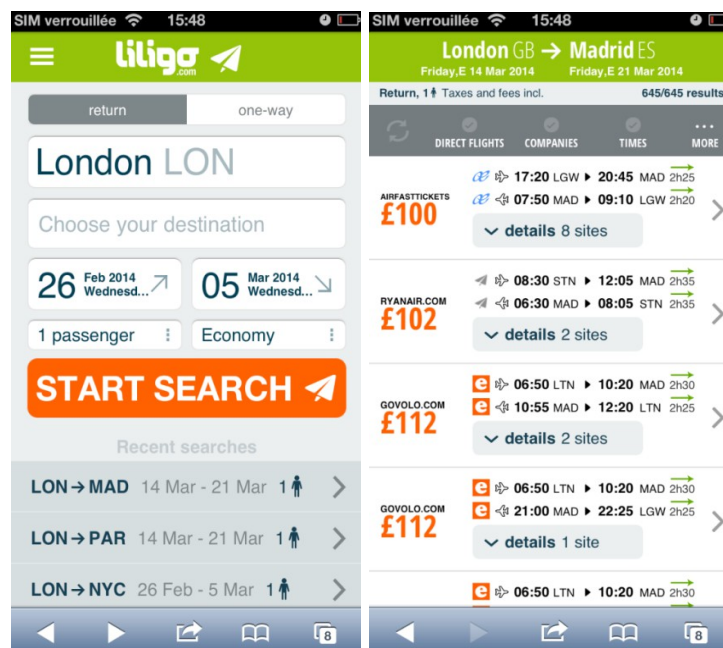

**The #1 French travel compare site for mobile has expanded its offering by launching international versions of its mobile site.**

### **After the French mobile site...**

Finding a flight among hundreds of specialised sites including the low cost ones was already possible from the [French mobile site](#). Since its launch in December of 2012, site traffic has doubled.

### **...comes a whole international offering!**

liligo.com now has mobile sites for all its international versions, in [English](#), Spanish, Italian, German, Hungarian and Portuguese. Whatever the language, the site is easy to use and navigate from a mobile.

liligo.com is constantly improving its mobile offering so everyone can take advantage of its technology, anytime and anywhere.

---

## **About liligo.com**

liligo.com is the first travel search engine to integrate hundreds of sites (travel agencies, airlines including 70 low cost, tour operators, hotels chains, booking centres, car hire agencies...) and allows travellers to access all available online travel solutions, sorted and presented objectively. Comprehensive, exhaustive, innovative, objective, [liligo.com](http://liligo.com) is dedicated to helping the user find their holidays as simply as possible. liligo.com is available in 11 European countries and attracts almost 1 million unique visitors a month.
